What's important to us?

We each have a personal commitment to:

- Attend chorus each week and we will make every effort to do so;
- Learn new music and the visual plan by the designated date;
- Give our undivided attention to the person in front of the Chorus (eg Director, Choreographer, coach etc);
- Always give our personal best;
- Be friendly and respectful of all Chorus members;
- Work towards improving our vocal and performance skills outside of rehearsal;
- Try new things to improve our singing and performing capability;
- Maintain a positive attitude and refrain from negativity;
- Be a self-starter and get things done on our own without constant reminding.
