award winning 4-part a capella harmony

## A LITTLE BIT ABOUT THE CHORUS!

Endeavour Harmony Chorus formed in 1996 with just 25 singers. In 2011 the group has more than 90 members and has won many national and international prizes in Acappella singing.

The women who make up this dynamic chorus come from all walks of life and all age groups. They share a passion for singing and performing. Achieving beautifully blended harmonies, sung with energy and excitement is their goal. Their repertoire includes modern ballads, old jazz standards, musical hits, 60's favourites, gospel, traditional, swing, blues, comedy and of course a large Christmas repertoire.

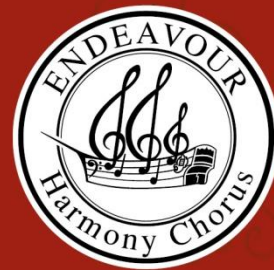

Master Director and founder of the chorus, Lea Baker, provides excellent vocal instruction each week at rehearsal. In addition members learn visual skills and showmanship in a fun and supportive environment. The chorus rehearse each Tuesday evening in Caringbah.

Endeavour Harmony Chorus loves to entertain audiences. They perform regularly throughout the year and do both charity and paid performances.

The chorus have become well known in Australia and New Zealand as a high quality vocal group. In 2005 and 2007 they won the prestigious Australasian Community Choir championships. In 2006 they were finalists in the ABC Classic FM Choir of The Year and in 2009 they won the coveted Australian National Title for barbershop singing for the 2<sup>nd</sup> time. Their score of 652 remains an Australian record and ranks them 12<sup>th</sup> in the world (out of more than 600 choruses).

The chorus is a registered not-for-profit incorporated community group, with tax deductible status.
